CAREER OBJECTIVE

Passionate B.Tech Computer Science (AI & ML) student eager to apply hands-on knowledge of machine learning, data analysis, and programming to real-world challenges through an internship. I thrive in collaborative environments, learn rapidly, and am committed to contributing meaningfully from day one.

EDUCATION

B.Tech in Computer Science (AI & ML)	2024 – Present
<i>Institute of Technical Education and Research (ITER), Bhubaneswar</i>	
Intermediate — CBSE, Odisha	2022 – 2024
<i>St Xavier's High School</i>	
Matriculation — CBSE, Odisha	2022
<i>Bridgewell Global School</i>	

TECHNICAL SKILLS

- Programming Languages:** Python, C, C++, Java (basic)
- AI & ML:** Machine Learning fundamentals, Data Preprocessing, Model Training & Evaluation
- Libraries & Tools:** NumPy, Pandas, Matplotlib, Scikit-learn
- Databases:** MySQL (basic)
- Web Basics:** HTML, CSS

CERTIFICATIONS

- Java Programming Certification

ACADEMIC PROJECTS / COURSEWORK HIGHLIGHTS

Data Analysis & Visualization (Ongoing Coursework)

- Applied Pandas and NumPy to clean and explore real-world datasets as part of AI/ML coursework.
- Used Matplotlib to visualize patterns and draw data-driven insights.

Machine Learning Fundamentals

- Implemented supervised learning models (classification & regression) using Scikit-learn.
- Practised preprocessing pipelines including feature scaling, encoding, and train-test splits.

SOFT SKILLS

Problem Solving • Quick Learner • Team Collaboration • Effective Communication • Time Management

WHY I AM SEEKING AN INTERNSHIP

I am in the early stages of my AI & ML degree and actively looking for an opportunity to bridge the gap between academic knowledge and industry practice. I want to contribute to impactful projects, work alongside experienced professionals, and build a strong foundation for my career in Artificial Intelligence.

DECLARATION

I hereby declare that all the information provided above is true and accurate to the best of my knowledge.
